Who is dbqpride?

At DBQ Pride, our mission is to foster a vibrant and connected local LGBTQIA+ community. Our vision is to build bridges within the queer community and with the broader public through meaningful connections and events, providing opportunities and spaces where everyone feels valued, celebrated, and empowered. We are committed to building strong networks for LGBTQIA+ individuals through collaboration with local businesses, organizations, and allies to create a supportive and interconnected network where our community is able to thrive.
